10	Student feedback mechanism on Institutional Governance/faculty performance	<p>The college has online feedback mechanism integrated with the Management Information System. Student feedback is conducted twice in each semester. The feedback is conducted under three levels, viz. Institute level, Department Level and Faculty level. The feedback reports generated by the system are analyzed at the institute as well as department level and corrective actions are initiated. Parameters for Student Feedback are as follows</p> <p>College Feedback</p> <ul style="list-style-type: none"> • Central Library: Adequacy of titles and volumes • Central Library: Ease in issuing of books • Central Library: Suitability of library timing • Adequacy of facilities promoting Sports, NSS etc • Approach towards promoting co-curricular and extra co-curricular activities • Adequacy and time-suitability of photocopying facility • College Canteen facility: timings and food quality • Centralized Computer laboratory and internet facility: qualitative and quantitative adequacy • Availability of distance learning resources, video lectures,

web courses etc.

- Student counseling and training for improving placements
- Administrative office: Ease of Approachability
- Administrative office: Ease of Approachability

Department Feedback

- Adequacy of laboratory facilities (Space/ventilation/number of set ups etc)
- Availability and ease of computing & internet facility
- Mechanism and approach to provide exposure to external world through field visits, guest lectures etc.
- Infrastructure (Furniture/blackboard/ illumination/fans/ flooring etc.)
- Overall approach and commitment of the department towards providing quality technical and professional education
- Hygiene (class/sanitation/ surrounding)
- Mechanism and approach to deal with students/parents grievances
- Students guidance and mentoring facilities
- Availability of modern instruments and arrangements/facilities to provide hands on experience

Theory Course Feedback

- Teaching Skill
- Extent to which course outcomes were discussed in the beginning of the session
- Punctuality and regularity in conducting classes
- Subject knowledge, lecture preparation and organization
- Blackboard management and communication skills
- Ability to explain practical relevance and recent developments in the subject area
- Encouragement and motivation to interactive teaching
- Adequate coverage of syllabus
- Promptness and impartiality in assessment
- Class Control
- Approachability for discussion and interaction outside the class
- Your inclination for taking another course from this teacher

Practical Course Feedback

- Experiments/ programming assignment/ case study were leading towards proper conclusion/ interpretation
- Teacher helped in understanding the experimental observations/ logic of the program/ case study/ field study
- Experimental setup was well maintained and operational/ software provided for executing the program was proper
- Precise, updated and self-explanatory manuals were provided
- Teacher did assessment of experiments and journal regularly
- Overall impression regarding the usefulness of the entire lab session in clarifying the student's theoretical knowledge
