

Higher Education Portal

This online portal provides a platform, where all the current students can interact with the alumni. This platform is created to get information about higher education institutes abroad, their structure and living style. Students can interact with RCOEM alumni those are currently pursuing higher studies abroad and seek guidance from them.

Once registered, your status will be automatically converted in Alumni category after graduation

To access the portal, you need to register on it. The steps are as follows.
