To Whom So Ever it may Concern

As per Ordinances/ Regulations of the college valued answer sheets of End Semester Examination are shown to the students within six working days after the last day of theory examination by the respective departments. The students view the answer sheets and have the provision to consult the respective course teachers and apply for review. After the review, the marks are finalized and grades are computed and awarded by the department Grade Moderation Committee. Thereafter, results are declared by the office of Controller of Examinations. Once the results are declared, there is no provision of revaluation of marks. Hence the number of application received for revaluation leading to change in marks is zero.

However since the HEI portal of NAAC does not accept '0' as an input, therefore '1' has been uploaded instead of '0'.
