DATE
21st January 2017

Life-enhancing Workshops,
Drawing Competition and
a Cultural Program for Underprivileged
& Specially-abled Children

Department of Management Technology & NSS Unit of RCOEM is organising JASHN for Underprivileged & Specially-abled Children

JASHN provides a platform to these children to showcase & enhance their talents. JASHN also aims to provide Life-enhancing skills to these children. On 21 January 2017, we will be organizing a Drawing Competition in the morning & Dance Competition in the evening. Further, we will be conducting Life-enhancing Workshops for the children in the forthcoming days. These Workshops will focus on building their capabilities & helping them to become confident & independent
