

Applauding Moments

On the basis of excellent performance in NPTEL Online Examination during Jan-Apr 2019 run, NPTEL Team IIT (Kanpur) has invited 6 students from RCOEM to visit CSE Dept. IIT, Kanpur.

SHANTANU MOHOD
VIIth Sem
Electronics Engineering

PRANAV MANBHEKAR
Vth Sem, Computer Science
Engineering

RUCHIKA MOHTA
Vth Sem
Electronics Engineering

NIMESH SINGH
Vth Sem
Information Technology

NUPUR VYAS
VIIth Sem , Computer
Science Engineering

RAKSHITA JOSHI
VIIth Sem , Computer
Science Engineering

Shantanu Mohod, Pranav Manbhekar, Ruchika Mohta and Nimesh Singh visited IIT, Kanpur during 15th Sept to 20th Sept 2019. Dr. Asmita D. Despande, SPOC, RCOEM NPTEL Local Chapter accompanied students during their visit. Visit was completely sponsored by NPTEL, IIT Kanpur.

Students visited various Departments, Research Laboratories, Imagineering Center (Incubation center), Flight Laboratory (Only flight laboratory in India), Bioscience and Bioengineering Laboratory, Interdisciplinary Center for Cyber Security and Cyber Defense of Critical Infrastructures [C3i] Research Lab, Media Center at IIT Kanpur campus.

Professors at Computer Science Engineering Department interacted with students and made them aware about the various domains of latest technologies like Big Data Computing, Machine Learning, Quantum Computing, Artificial Intelligence, Theoretical Computation, Device Drivers and System Security. Students were exposed to ongoing research in the fields of Operating System, Cyber Security, Honeypot / Ethical hacking technologies, Computer Automation Systems, etc. This visit has provided opportunity to the students to discuss about their Projects/Ideas with professors at IIT and seek guidance/suggestions from them. The visit was really a good academic learning experience for the students and will definitely encourage them to pursue Internship, Research at IITs and to utilize different facilities/schemes for the students at IIT Kanpur.

Glimpses at IIT, Kanpur
