

Guest Lecture on “All About CAT”

Department of Electrical Engineering organized a Guest Lecture on “All About CAT” by Mr. Ashish Gaidhane, Calibers Nova, Nagpur on 23rd March 2021 under Electrical Engineering Students Association (EESA). The event witnessed the participation from second year Electrical Engineering students. In this lecture, audience got an insight of CAT examinations. About 60 students attended the lectures and it will be really useful to students to decide their career path. The faculty coordinator for the event was Dr. Gaurav Goyal.

Guest Lecture on “Interview Techniques”

Department of Electrical Engineering organized a Guest Lecture on “Interview Techniques” by Dr. Rajesh Vaidhya, DMT, ShriRamdeobaba College of Engineering, Nagpur on 23rd March 2021 under Electrical Engineering Students Association (EESA). The event witnessed the participation from third year Electrical Engineering students. In this lecture, audience got an insight on basics and ethics of appearing for any interview which will be useful in upcoming placement drive. About 57 students attended the lectures and it will be really useful to students to decide their career path. The faculty coordinators for the event were Dr. T.G. Arora and Dr. Gaurav Goyal.

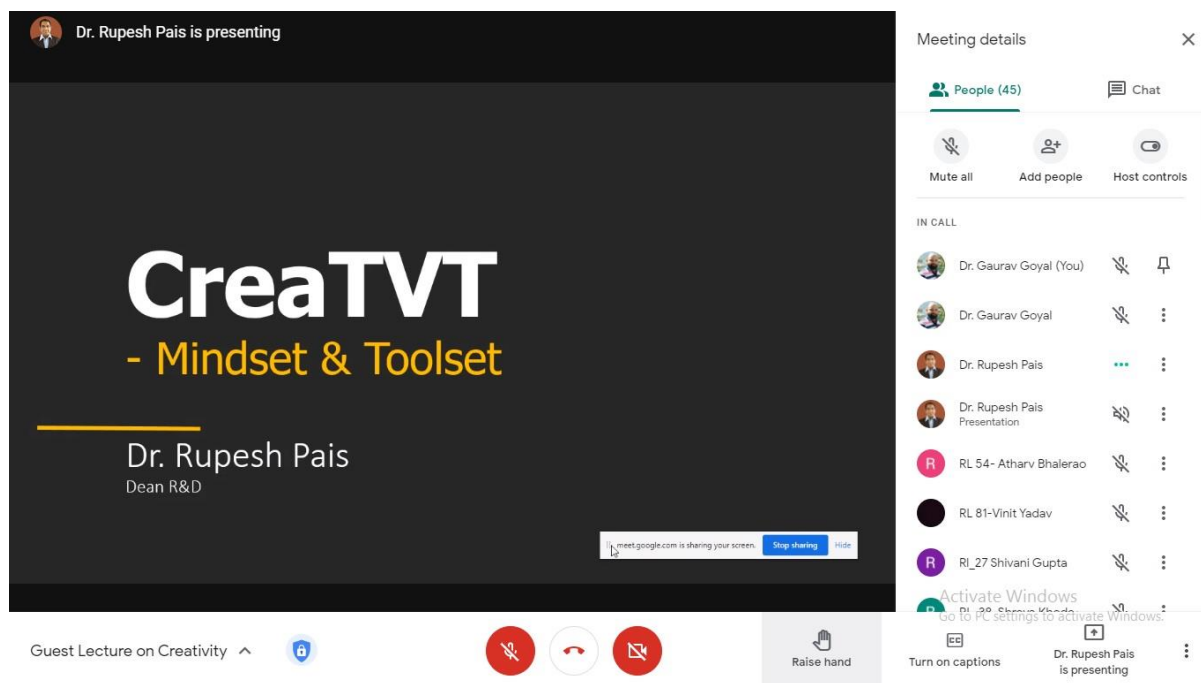

Guest Lecture on “Gate Awareness Program: Benefits of GATE and Career Opportunities with GATE”

Department of Electrical Engineering organized a Guest Lecture on “Gate Awareness Program: Benefits of GATE and Career Opportunities with GATE” by Mr. SantoshGondhi, Gate Academy on 27th March 2021 under Electrical Engineering Students Association (EESA). The event witnessed the participation from second year Electrical Engineering students. In this lecture, audience got an insight of GATE examinations. About 58 students attended the lectures and it will be really useful to students to decide their career path. The faculty coordinator for the event was Dr. GauravGoyal.

Guest Lecture on “CreaTVT”

Department of Electrical Engineering organized a Guest Lecture on “CreaTVT” by Dr. RupeshPais, DMT, ShriRamdeobaba College of Engineering, Nagpuron 30th March 2021 under Electrical Engineering Students Association (EESA). The event witnessed the participation from third year Electrical Engineering students. In this lecture, audience got an insight on basics of creativity and its importance in our daily life. This will be useful for the

students in future problem solving. About 43 students attended the lectures and it will be really useful to students to decide their career path. The faculty coordinators for the event were Dr.T.G.Arora and Dr. GauravGoyal.

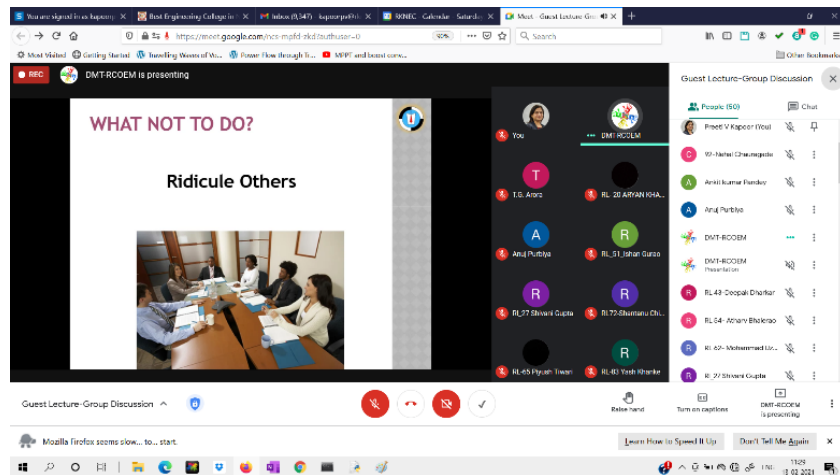

Report on Guest Lecture on “Group Discussion”

Department of Electrical Engineering has organized a Guest Lecture(online) on “Group Discussion” on Saturday, 13th Feb. 2021 from 11.00 AM to 12.00 PM. The guest lecture was arranged for all VI Semester and VIII Semester unplaced students.

The eminent speaker of the guest lecture was Dr. Chandan Vichoray, Head, Department of Management Technology, Shri Ramdeobaba College of Engineering & Management. Sir, has more than 12 years of experience in academics as Operations Management Faculty and 3 years of industry experience. Sir, has covered various topics like importance of Group Discussion, what is to be done and what is not to be done during Group Discussion, presentation skills etc which will definitely help the students to prepare for their placement activity.

The coordinators of the guest lecture were **Dr. T.G.Arora** and **Dr. P.V. Kapoor** .

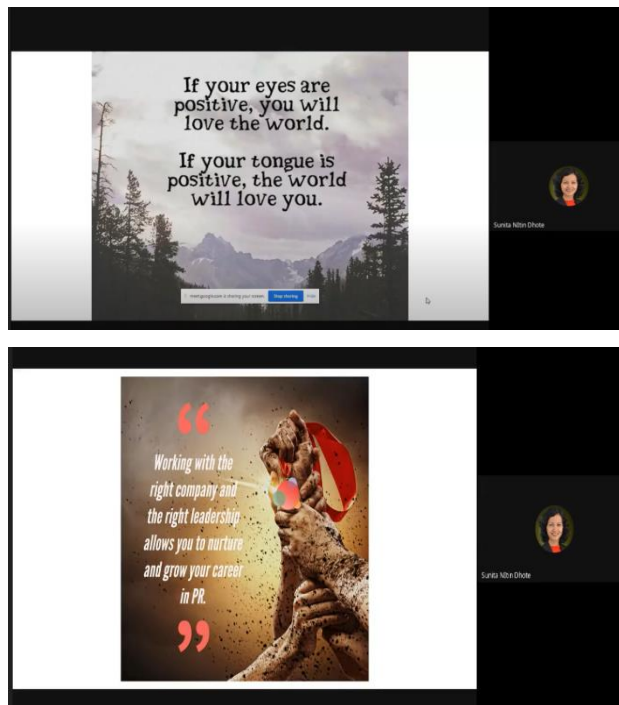

Report on Guest Lecture on “Positive Mindset at Campus for Progress”

Department of Electrical Engineering has organized a Guest Lecture(online) on “Positive Mindset at Campus for Progress” on Monday, 1st Feb’ 2021 from 12.15 PM to 1.30 PM. The guest lecture was arranged for all IV semester students.

The eminent speaker of the guest lecture was Dr. Sunita Dhote, Assistant Professor, Department of Management Technology, Shri Ramdeobaba College of Engineering & Management. Mam has more than 18 years of experience in academics and has a strong inclination towards the society in which people live life full of values and ethics and therefore she tries her level best to imbibe the same in her students. Mam, has covered various topics like power of positivity, how to think positive to build an optimistic attitude and anticipate happiness, health and success etc. which will definitely help the students for their career.

The coordinators of the guest lecture were **Dr. T.G. Arora** and **Prof. (Ms.) M. B. Gaikwad**.

Guest Lecture on “Improving Interpersonal Skills - Transactional Analysis Approach”

Department of Electrical Engineering organized a Guest Lecture on “Improving Interpersonal Skills - Transactional Analysis Approach” by Dr. Abhijeet Agase, DMT, Shri Ramdeobaba College of Engineering, Nagpur on 4th April 2021 under Electrical Engineering Students Association (EESA). The event witnessed the participation from third year Electrical Engineering students. In this lecture, students got an insight of interpersonal skills. This will be useful for the students in future placements. About 30 students attended the lectures and it will be really useful to students to decide their career path. The faculty coordinators for the event were Dr.T.G.Arora and Dr. Gaurav Goyal.

Guest Lecture on Improving Inter...

Antara Agashe is presenting

Interpersonal Relationship

Reciprocal social and emotional interaction between two or more individuals in an environment

The interpersonal relationships are vital for creating a positive successful environment at home, at workplace.....in society.

Details of Guest Lecture

1. Guest Lecture on “Career Opportunities after Graduation”

Department of Electrical Engineering organized a guest lecture on “Career Opportunities after Graduation” by Mr. Mehul Jhunjhunwala, expert speaker on career development, Nagpur on 13th July 2019. The event witnessed the participation from 3rd and 4th year Electrical Engineering students. In this lecture, students got an insight on various career opportunities in Core and IT sectors and in higher studies as well. The faculty coordinators for the event were Prof. Gaurav Goyal, Dr. Piyush Khadke and Prof. P. Sawarkar.

2. Guest Lecture on “Improvement in GD/PI Skills”

Department of Electrical Engineering organized a guest lecture on “Improvement in GD/PI Skills” by Mr. Mehul Jhunjhunwala, expert speaker on career development, Nagpur on 13th July 2019. The event witnessed the participation from 4th year Electrical Engineering students. In this lecture, audience got an insight on basics and ethics of appearing for any interview and group discussion sessions which will be useful in upcoming placement drive. The faculty coordinators for the event were Prof. Gaurav Goyal, Dr. Piyush Khadke and Prof. P. Sawarkar.

3. Guest Lecture on “Energy Conservation & Management”

The Electrical Engineering Students’ Association (EESA) of Shri Ramdeobaba College of Engineering and Management organized a Guest Lecture on “Energy Conservation and Management” on 27th July 2019 for Third Year BE and MTech PEPS students. The lecture was delivered by Mr. Sudhir Joshi, DGM, Ashok Leyland, Bhandara.

He covered the topics like compressor, pumps, cooling towers etc which are the part of the course “Energy Management and Audit” in the scheme of BE V Sem Electrical Engineering. The motive of lecture was mainly to make student aware about the various techniques of energy conservation and brief idea about employability opportunities as Energy Auditor. The lecture was highly appreciated by the students.

4. Guest Lecture on Improvement in PI Skills

Department of Electrical Engineering organized a 2.5 hours guest lecture on “Improvement in Personal Interview Skills” by Mr. Shshwat Jha, Interview expert, Nagpur on 23rd August 2019. The event witnessed the participation of 58 students from 4th year Electrical Engineering. In this lecture, audience got an insight on basics and ethics of appearing for any interview and group discussion sessions which will be useful in upcoming placement drive. The faculty coordinators for the event were Dr. Gaurav Goyal, Dr. Piyush Khadke and Prof. P. Sawarkar.

5. Interactive session on “Challenges in career development”

The alumni meet was held on 27 July 2018. Mr. Amit Kapoor currently working at Accenture in Netherlands, Mr. Abhishek Kumar from Texas Instruments and Ashuraj from Infosys, 2000 batch Alumni from Electrical Engineering Department visited to Nagpur during 27th July to 29th July 2018. During their visit to Electrical Department, they have interacted with the Prof. Barhate HoD Electrical, Prof. Joshi, Prof. Renge, Prof. Anupam Kher Dean T&P, Prof. Dwaramwar Dean III Cell and other faculty members.

Prof. Salodkar and Prof. Goyal have arranged the interactive session with our alumni of 2000 batch with third year and final year students on 27.07.2018 at 2.00 pm in Electrical Department. The alumni Mr. Amit, Mr. Abhishek and Mr. Ashuraj guided the students on motivational aspects and how to move ahead step by step to overcome the challenges in career development. The overall session was very interactive. The session was ended with felicitation of the alumni by our honourable HoD Prof V. T. Barhate.

6. Guest Lecture on “Designing of Lighting System”

The Electrical Engineering Students’ Association (EESA) of Shri Ramdeobaba College of Engineering and Management organized their Branch Installation programme from 19th to 21st September 2018. The formal function was held on 19th September 2018 in the Industrial Auditorium of the college. The function was presided over by Mr. Vikas Joshi, Entrepreneur and Consulatan in lighting field.

The programme was followed by the key note speech by Mr. Vikas Joshi. He delivered a lecture on “Designing of Lighting System” which was highly appreciated by the faculty members and the students. The motive of lecture was mainly to make student aware about the employability opportunities in this area. Academic toppers of final and third year were also felicitated.

7. Guest lecture on “How to prepare for GATE Examination”

Department of Electrical Engineering organized a guest lecture on “How to prepare for GATE & IES Examination” by Mr. Anand Sharma ICE, Nagpur on 27th December 2018. The event witnessed the participation from 2nd year Electrical Engineering students. In this lecture, students came to know the carrer oppotunties after clearing above competitive examination. Prof. G.N.Goyal (Assist. Prof., EE was the faculty coordinator for the event).

8. Guest lecture on “Entrepreneurship Opportunities for Electrical Engineers”

Entrepreneurship Development Cell (EDC) of Electrical department has organized Seminar on “Entrepreneurship Opportunities for Electrical Engineers” for students of the department on 26th September 2018. Young and successful alumni entrepreneurs were invited to guide and discuss about the various Entrepreneurship Opportunities available for Electrical Engineers after the graduation. Mr.Mandar Ghotkar, CEO, Orange WIT ,Nagpur and 2006 batch alumni, gave the insight of “Entrepreneurship scope in PLC and SCADA”. Mr.Devashish Joshi, MNJ Consultants, Nagpur talked about the “Scope and Potential in Electrical system Design”. Mr.Kapil Jangid, Photon Energy Solutions, Nagpur and 2016 batch alumni elaborated the “Solar Photovoltaic Systems potential and opportunities”

Abhishek Bhagat (ED Cell president) and his team worked hard for the successful organization of the seminar.

9. Guest lecture on “Solar Plant Fabrication with Business Aspects”

Department of Electrical Engineering organized a guest lecture on “Solar Plant Fabrication with Business Aspects” by Mr. Sandeep Sonaskar, Director V S Informatics Pvt. Ltd. Nagpur on 11th January 2018. The event witnessed the participation from 2nd year Electrical Engineering students under “Know your branch” scheme of T&P. In this lecture audience got an insight on various recent trends in Solar PV systems and its

application to houses and also entrepreneurship in the same field. The faculty coordinator for the event were Prof. V. T. Barhate (HoD EE), Prof. P. Sawarkar, Prof. Piyush Khadke and Prof. Ameya Saonerkar.

10. Guest lecture on “Higher Study Opportunity in Core”

Department of Electrical Engineering organized a guest lecture on “Higher Study Opportunity in Core” by Mr. Nilesh Warokar, IDP Education, Nagpur on 29th January 2018. The event witnessed the participation from 2nd year Electrical Engineering students under “Know your branch” scheme of T&P. In this lecture audience got an insight on various higher study opportunities abroad in core subject, exams related to same and other related aspects. The faculty coordinators for the event were Prof. V. T. Barhate (HoD EE), Prof. Ameya Saonerkar, Prof. Piyush Khadke and Prof. P. Sawarkar.

11. Guest lecture on “Substation SLDs in Autocad”

Department of Electrical Engineering organized a guest lecture on “Substation SLDs in Autocad” by Mr. Devashish Joshi, Director MNJ Electrical Consultants, Nagpur on 20th and 21st March 2018. The event witnessed the participation from 4th year

Electrical Engineering students. In this lecture audience got an insight on various EHV Substation busbar schemes, their SLDs, Plans, and Elevation etc. The faculty coordinator for the event was Dr. Piyush Khadke (Assist. Prof., EE).

12. Guest lecture on “Different types of Metering”

Department of Electrical Engineering organized a guest lecture on “Different types of Metering” by Mr. Manish Wath, SE(NUC), MSEDCL, Nagpur on 1st Feb 2018. The lecture was organized on the occasion of installation ceremony of Electrical Engineering students’ Association (EESA) The event witnessed the participation from BE Electrical Engineering, M.Tech PEPS students and faculty of electrical department. In this lecture, students came to know about the different types of meters and their metering procedure. Mr. Manish Wath also gave knowledge about the different types and components of tariff. Prof. G.N.Goyal, Prof.N.M.Deshkar and Prof.V.T.Barhate were the faculty coordinator for the event.

13. Guest lecture on “How to prepare for GATE & IES Examination”

Department of Electrical Engineering organized a guest lecture on “How to prepare for GATE & IES Examination” by Mr. Llyod, Director ICE, Nagpur on 16th March 2018. The event witnessed the participation from 2nd year Electrical Engineering students. In this lecture, students came to know the carrer oppotunties after clearing above competitive examination. Prof. G.N.Goyal (Assist. Prof., EE was the faculty coordinator for the event).

14. Guest lecture on “Engineering Aspects in Satellite and Mangalyan”

Department of Electrical Engineering organized a guest lecture on “Engineering Aspects in Satellite and Mangalyan” by Shri. Nitin D. Ghatpande on 24th July 2017 in Industrial Auditorium. Shri. Nitin D. Ghatpande is Former Group Director, Power System Group, ISRO Satellite Centre, Bangalore. The event witnessed the participation from Electrical Engineering students and staff. In this lecture audience got an insight on various ISRO Mars orbital mission, information on subsystems of Mars orbital mission, sensors used in satellite and battery system in satellite etc. The main faculty coordinator for the event were Prof. V.T.Barhate (HoD EE), Prof. S.B.Bodkhe (Dean Academics), Prof. Piyush Khadke and Prof. Rupal Agrawal.

15. The expert lecture on, “Economizers, Cooling Towers, Turbines & General Lay-out of Thermal Power Station”

The expert lecture on, “Economizers, Cooling Towers, Turbines & General Lay-out of Thermal Power Station” was held, on date 14th Sept 2017, at 9.30am (for two hours), in the Electrical Department for students of BE V Sem (Electrical) under their course program of “Power Station Practice”. The lecture was delivered by Er. Mr. Uday Thakre, Ex- Executive Engineer, Koradi Thermal Power Station, Nagpur, He was welcomed by Prof. R. G. Deshbhratar. Er.Mr.Uday Thakre, was appointed as Deputy Director (Technical) at National Power Training Institute, Nagpur March 1988 to March 1992 & Badarpur, New Delhi from April 1995 to April 1998. He had co-ordinated & delivered lectures for different long term /short batches and onsite training programs for Thermal Power Plant Engineers. Such an eminent and learned personality was available for guiding and sharing his experiences with the students of BE V Semester, so they enjoyed the lecture very much. They could visualize the operating system of turbines by witnessing the turbine parts shown & explained by Er.Mr.Uday Thakre. It was a great experience for students.Students like, Priya Sable, Hitesh Lalwani, Shweta Alegaonkar, Yash Chandak & Harshal Ghatole worked hard for this event.

16. Guest Lecture on “Future Scope of Electrical Engineering”

Department of Electrical Engineering organized a guest lecture on “Future Scope of Electrical Engineering” by Dr. B. N. Chaudhari on 16th Sept. 2017 in Industrial Auditorium. Dr. B. N. Chaudhari is Deputy Director at College of Engineering, Pune. The event witnessed the participation from Electrical Engineering B.E., M. Tech. students along with staff members. In this lecture audience got an insight on emerging opportunities in Electrical Engineering, increased competition for job, trends of electrical research work, expanding horizons of the engineering, sharing of multi disciplinary knowledge, etc. The event was organized by faculty of Electrical Engineering Department under the guidance of Prof. V.T.Barhate (HoD EE).

17. A Guest Lecture on “Aptitude Development”

A Guest Lecture was organized by Electrical Engineering Students’ Association (EESA) for second and third year students on “**Aptitude Development**” on 20th January 2017. The speaker for lecture was Mr. Rishi Chourasia, Founder Director of Vikalp Education. He is well known trainer in the field of aptitude development. This session helped the students to get a pathway for the aptitude grooming which will be helpful for their placements.

18. A Guest Lecture was organized on “Traits of an Entrepreneur”.

Mr. Dasgupta guided the students on entrepreneurship & motivational aspects and how to move ahead step by step to overcome the challenges in entrepreneurship. Prof. M.

R. Jain, Chief coordinator, guided the students on “Traits of an Entrepreneur”. Prof. V. T. Barhate talked about importance of Entrepreneurial attitude. Prof. U. B. Mujumdar introduced the role of ‘Entrepreneurship Development Cell’ in overall development of students.

The student president Mr. Shreesh Deep Gupta and secretary Mr. Aakashdeepsingh Bhatia gave the details of various activities to be conducted in the year. Shivani Bojalwar, Rucha Buche and Shweta Shweta Alegaonkar conducted the program. Aakashdeepsingh Bhatia proposed the vote of thanks. Pradutta Joshi, Sagar Bhade, Abhishek Gupta, Yash Chandak and Ritesh Dakhate worked hard for the success of the program.

19. A Guest Lecture was organized on “How to prepare for Placement and Other Competitive Examination”

A guest Lecture was organized for second year students of Electrical Engineering Department on “How to prepare for Placement and Other Competitive Examination” by EESA on 15th Feb 2016. The lecture was delivered by Mr. Avinash Naidu, Director, Career Launcher accompanied by Mr. Arun Sahu, Marketing Manager, Career Launcher. Around 65 students were present for this lecture. The lecture was organized by Prof. G.N.Goyal, EESA Coordinator under the guidance of Dr. S. B. Bodkhe, Incharge HOD Electrical Engineering Department.

20. A Guest Lecture was organized on “International Practices in Power Market in United State of America”

A guest lecture was organized by Electrical Engineering Students’ Association (EESA) for BE II, III and IV year students on 11th March 2016. The guest lecture was delivered by the Dr. A. R. Abhyankar, Associate Professor, IIT Delhi. The topic for his presentation was

“International Practices in Power Market in United State of America”. Around 90 students attended this lecture and got the overview of technicalities of power market.

21. A Guest Lecture was organized on “Chasing the Excellence- The Shivaji Way”

A guest lecture was organized for third year & final year students of Electrical & Civil Engineering department on “Chasing the Excellence- The Shivaji Way” on 18th March 2016. The lecture was delivered by Prof. Sumant Tekade. This lecture was organized by Prof. G. N. Goyal, EESA Coordinator and Dear SRC, Prof. S. H. Deshmukh under the guidance of Dr. S. B. Bodkhe, Incharge HOD, Electrical Engineering.

A guest lecture was organized for third year students of Electrical Engineering Department on the topic “PLC & its Application” on 21st to 22nd March 2016. The lecture was delivered by Mr. Jayant Paranjape, Director, Rutum Technocrafts. This lecture is coverage of part of UG curriculum by industry expert and it was organized by Prof. P. A. Salodkar under the guidance of Dr. S. B. Bodkhe, Incharge HOD, Electrical Engineering Department.
