Session: 2018-19

Institute Level Programs

RCOEM CHANGMAKERS

The Entrepreneurship Development Cell in association with RCOEM TBI foundation jointly organized the mega event “RCOEM Change makers” to promote innovation and entrepreneurship amongst the students in the college. The program was targeted for the students of all branches of engineering, MBA and MCA. This Innovation, Design and Ideation competition was conducted in three phases:

Phase I : Idea Submission : 04/09/2018 to 20/09/2018

Phase II : Innovation Workshop for all Participants : 22/09/2018

Phase III: Idea Presentation : 28 and 29/09/2018

Around 40 students submitted the innovative ideas. All the Ideas were forwarded to RCOEM TBI to evaluate the Start-up Potentials.

The Ideation workshop was conducted by Mr.Shashi Chaudhary Shashikant Chaudhary, Angel Investor and entrepreneur , Cofounder Nagpur Angles.

RCOEM
Change Makers
Challenge the world

Innovation, Design and Ideation Competition

Give your Innovative Ideas and Projects providing solutions for:

- Nagpur Smart City Challenges
- Agri-Tech and Rural Innovations
- Energy Storage solutions
- Medical and Health
- Smart Vehicles
- Robotics and Drones
- Novel Automation Systems
- New Efficient mechanism, Machine Design
- Cyber Security
- IOT/IIoT Systems
- IT and ITeS
- Education Practices
- Building and Transport Systems
- Water Management
- Waste Management
- Innovative Business Model/Case studies
- Industry, Society, Government Challenges and
- Any Innovative Business Idea

Diagram illustrating the Change Makers process: Idea Generation, Marketing, Team Management, Technology, Fund Management, Networking, Customer, and Mentorship.

Important Dates

Start date of Idea Submission	: 04 th Sept, 2018
Last date of Idea Submission	: 20 th Sept, 2018
Ideation Workshop for all Participants	: 22 nd Sept, 2018
Idea Presentation	: 28 & 29 Sept, 2018

Awards/Prizes

Ten Best Ideas will be selected for Incubation with Rs. 5.0 Lakh*
Funding and Mentoring support.
* As per the terms and conditions of RCOEM TBI Foundation.

Submission

On the submission of Idea / Solution: <https://goo.gl/forms/8EamA2pwYamLkJPv1>
You can also Submit your Idea / Solution details (up to Three Pages) to rcosmbi@kpsc.edu.

“TRANSPRENEUR”

TRANSPRENEUR 2019 was organized with objective to give momentum to innovation, entrepreneurship & incubation related activities in the Institution. This program provided a platform and opportunity to the participants to build and enhance their personal entrepreneurial competencies.

This program was conducted on 17th March 2019. Around 120 participants from all the branches of Engineering, MBA and MCA actively participated in the program.

The poster features a central graphic of a red 3D arrow pointing upwards, labeled 'TRANSPRENEUR'. The arrow is supported by a series of white 3D blocks representing stages of entrepreneurship: 'INNOVATION', 'CREATION', 'MENTOR'S DESK', 'PITCH YOUR IDEA', and 'BUSINESS MODEL CANVAS'. Silhouettes of people are shown interacting with these blocks. The background is a dark blue with a network of glowing nodes and lines. Logos for Shri Ramdeobaba College of Engineering & Management and RCOEM TBI Foundation are in the top corners. Text at the top center identifies the organizing institutions and the event name. The dates '16th & 17th March 2019' are prominently displayed. A registration fee box and a contact information box are located in the bottom right.

Department of Electronics Engineering

1. Interaction with Alumni

ED cell activity of Session 2018-19 started with Alumni interaction. On July 13, 2018 Mr. Varad Manglekar, Associate analyst, Infocepts Technologies Pvt. Ltd, Nagpur interacted with final year students of electronics engineering. He gave various tips for start up and explained new initiatives of Ministry of MSME. ED cell volunteers coordinated the event under the guidance of Prof. B.M.Hardas , Incharge coordinator, ED, Cell.

2. Industry Visit

ED cell volunteers alongwith faculty members visited Waghmare Food Products (WFP) Pvt. Ltd. On 16 August 2018. Mr. Sarang Waghmare, CEO, WFP, Nagpur explained the journey of his industry. Later students were taken to the floor for a view of live production line where workers were performing their usual jobs on the machines which was quite exciting and amazing for the students. Manufacturing, packaging , labelling and dispatch units were visited. The visit provided a student interface to actual industry to know what kind of real world problems are there and how they are being resolved. Prof. B.M. Hardas and Prof. Nikhil Damle were prominently present during the visit.

3. ED Cell Installation Session 2018-2019

New student body of Entrepreneurship Development Cell has been installed at Electronics Engineering department ,Shri Ramdeobaba College of Engineering and Management,Nagpur on 4th October 2018. Mr.Rooshad Patel, Managing Director ,High Tech Resistors, Nagpur was Chief guest. The function began with lighting of traditional lamp. Prof. B. M.Hardas , ED cell coordinator in his introductory speech highlighted various activities scheduled to be carried out in the session. He announced new executive members of ED cell. Ms. Riya Mathur-Student mentor; Ms. Riya Joshi and Mr. Pratik Kaswa were nominated as executive members. Head of the department Dr.(Mrs.) A.A.Khurshid welcomed the chief guest. In his motivational speech on “Entrepreneurship as a career option” Mr. Rooshad Patel explained various parameters for choosing right entrepreneurship. Consistency is key to success is the mantra to be remembered by all,
