

# CODECHEF RCOEM CHAPTER

## Event Summary Oct- Dec

### Coding contest by Codechef Chapter

CodeChef RCOEM Chapter organized a competitive coding contest on December 14th 2021, under the name "Welcome to CodeChef RCOEM Chapter". The main motive of the competition was to introduce the participants to competitive programming in a fun and easy way. The contest also served as a platform for recruiting new members for the RCOEM CodeChef Chapter. The open to all event attracted a total participation of 285 students including entries from outside India. The competition was time bound and focused on concepts like algorithms, data structures and problem solving. The question setters designed the questions in a way that made them fun and accessible for amateur competitive programmers. They were well received and gained positive feedback from 3 star and 2 star coders that participated. A few students from the competition were shortlisted to become a member of the RCOEM CodeChef Chapter, the event benchmarked their abilities and proved to be crucial in the recruitment process. Overall the event was a great success, the chapter was successful in achieving its motives.

The screenshot shows the CodeChef contest page for 'Welcome to RCOEM Chapter'. The page features a banner with the CodeChef logo and the text 'WELCOME TO RCOEM CHAPTER'. Below the banner is a table of contest results. To the right, there is a 'Contest Ended' section with a table of upcoming contests and a 'Contest Ranks' section with a 'Go to Contest Ranks' button. At the bottom, there is a 'Recent Activity' section.

# Global Coding Contest INDIAN PROGRAMMING LEAGUE (IPL) by Codechef Chapter

Codechef Chapter, RCOEM, organized a competitive programming contest on 9<sup>th</sup> October 2021 from 18:00 hrs IST to 20:00 hrs IST, to help students judge their programming skills in a timed environment. The contest aimed to make amateur students understand their competition and take an initiative towards increasing their ranking. The contest gained a successful participation of 252 students with a total of 635 submissions. It included 8 questions based on algorithms, data structures and problem solving. Students from 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year B. Tech from International, National as well as 3rd tier colleges participated in the contest of which 60% of them were able to solve the first 3 questions. Many 6 star and 5 star rated coders on the platform appreciated the contest difficulty and enjoyed the problem set.

## Live Coding Workshop by CodeChef Chapter

CodeChef Chapter RCOEM organized a live coding workshop on 6th November 2021. This workshop was organized for the First year and Third Year UG students of the college belonging to various branches. Around 70 students participated in this workshop. The workshop was delivered by Codechef executive member Atharva Kharabe who is a student from the IT Department, and also a 4-Star coder on CodeChef. The main purpose of this workshop was to familiarize students with basics of programming. The responses from the students who attended the workshop were quite positive so it is safe to say that the workshop was a great success.

Atharva Kharabe, 3rd year student and 4-Star coder on CodeChef, explaining a C++ program to students attending the workshop.
