

‘COMMUNIQUE’- the student society of Electronics and Communication branch of Shri Ramdeobaba College of Engineering and Management, has been actively involved in participating and conducting in the various events in the institutes beautiful campus.

These events are the foundation stones for the overall development of the students in technical and non technical domains. This platform mostly contributes in bringing out the creative side of the student. Students not only interact among batch mates, seniors or juniors but also get guidance from eminent personalities from industries. The external guests motivate the students through guest lecture, group discussion, workshops and industrial visits organized through this society for and by the students.

EKATRA 2019 - Installation Ceremony of the Communique Student Society

The department of Electronics and Communication Engineering has organized a one-day installation program on 23rd August 2019. The program was organized for installation of students Society ‘Communique’ in the EC department for the session 2019-20, by the induction of student committee.

A forum called 'communique' has been set up by the department which provides a platform to the students and staff to showcase their talent through various technical, curricular and cocurricular activities. The membership of the Society is open to all students of Electronics and Communication Engineering. The installation of Communique in the EC department marks the beginning of the journey of knowledge for all the student members.
