

Technical Cup 2021-22

Students' Representative Council of Shri Ramdeobaba College of Engineering & Management organized the Technical Cup on 22nd and 23rd April, 2022. The branches participated in several rounds conducted under the Technical Cup.

The rounds which were conducted are as follows:-

1. Higher Order Thinking Test
2. Smart Branch Hackathon
3. TechHex

Meetings with all the branch representatives were taken in order to explain them the rules of all the rounds. Also, fair distribution of teams as well as the sequence of the participants in the events was done through chit picking in their witness. Topics given to them were also distributed randomly through the same process before the rounds.

1. Round 1: Higher Order Thinking Test (HOTT)

HOTT was conducted in 3 sub-tests – Aptitude test, Technical Test 1 and Technical Test2 on 22nd April. 60 minutes were given to each sub-test.

2. Round 2: Smart Branch Hackathon (SBH)

Topics for Smart Branch Hackathon were given to the participants 7 days prior to the competition date. Here they had to prepare a presentation that contained a complete solution of the Problem statement that was given to them. Participants were given 10 minutes for presentation and five minutes for a Q & A round with judges.

3. Round 3: TechHex

In this round, the branches had to compete with a branch of their choice (this was decided by chit-picking) by playing a quiz on the chosen topic (also decided by chit-

picking). The quiz was played on a 7x7 grid formed of hexagonal tiles. The team which successfully connected both of its ends with a continuous path formed by captured tiles wins the quiz.

The **winners of Technical Cup 2022** were:-

1. Electronics and Communication
2. Computer Science
3. Information Technology

All the participants from various branches participated with great ardor and passion.

Technical Cup coordinators Mr. Bharat Loiya and Ms. Sadnyani Gomkar with the guidance of Mr. Parag Kasat (Overall Club Coordinator, SRC) and the support of the entire Students' Representative Council could make this event happen.

Successful conduction of the event was possible because of the support of Dean of Students- Dr. Rashmi Shahu.
