

## Department of Electronics and Communication Engineering

We at RCOEM are blessed to have our Alumni always supporting us with their knowledge and help is in upgrading our students and make them industry ready.

On 28<sup>th</sup> November 2018, Dr. Archit Somani (Alumni Electronics, 2007 batch) conducted a 1-Day workshop for EC students on “**Internet of Things**” . Dr. Archit Somani is Director at Strawberry Enterprises Pvt Ltd.

He made students aware of the fundamentals of IoT and also gave them hand-on experience on the same.

### The Students Attending the Workshop Conducted by Dr. Archit Somani

He was felicitated by Dr. R.B. Raut for taking out time for enhancing the knowledge of the students of EC Department.

From L-R Dr.(Mrs) M.S. Korde, Dr. Archit Somani and Dr. R.B. Raut
