

## Central Instrumentation Centre

Sample analysis requisition form UV-Visible-NIR Spectrophotometer/ LED meter

**A. User Information**

**Date:** \_\_\_\_\_

1. Name :
2. Designation: Faculty/Research Scholar/ Student
3. Department / Institution / Affiliation :
4. Address for Communication :
5. Phone Number : \_\_\_\_\_ Email: \_\_\_\_\_
6. Name of Guide/Supervisor and affiliated institute :
7. Purpose of analysis : Research / Commercial /Experimental

**B. Sample Information**

S.N.	Name/Code of samples	Number of Samples	Nature of sample (Tick)	Type analysis required :	Wavelength Scan range
			a. Inorganic b. organic c. Polymer d. film e. powder f. pellet g. others	a. Fluorescence b. Lifetime c. Absorption d. Reflectance e. CRI	.....nm to .....nm

**C. Declaration**

I/We agree to acknowledge **“Central Instrumentation Centre, Shri Ramdeobaba College of Engineering and Management”** in our publications / thesis / project if the CIC instruments results are incorporated/ used in them.

Signature of Student

Signature of Faculty/ Supervisor with stamp

**FOR CIC, RCOEM USE**

Date Received : ..... Date Completed: .....

Signature  
Incharge, CIC, RCOEM

.....  
Note: Potentially Hazardous/ toxic/ radioactive/ explosives samples will not be accepted for the analysis.
