Inauguration Ceremony of IEEE Student Joint Chapter of Power Electronics & Industrial Electronics Society

1st October,2022 11.00 am

Shri Ramdeobaba College of Engineering and Management Nagpur, Maharashtra, India

‘If your actions inspire others to dream more, lean more, do more and become more, then you are a leader.’ This momentous day of inaugural ceremony of “IEEE Student Joint Chapter Power Electronics And Industrial Electronics Societies” at Shri Ramdeobaba College of Engineering and Management, Nagpur, on 1st October 2022. It commenced with the lighting of lamp by a group of dignitaries of Prof. Mohan Lal Kolhe (University of Agder, Norway), Prof. Pradyumn Chaturvedi (Chairperson, IEEE PELS & IES Bombay Section), Dr. R.S Pande (Principal, RCOEM) , Prof. S.B. Bodkhe (Head, Department of Electrical Engineering). Prof. Sanjib Kumar Panda (University of Singapore) was connected virtually throughout the event. The program was followed by Saraswati-Vandana.

Prof. S.B Bodkhe formally welcomed all the dignitaries present on the dais and faculty members from various departments & students. He mentioned about the Objectives of PELS and IES and its aims about promoting a high level of technical excellence among its student members.

The session began with the warm introduction of The Chief guest and the guest of honors and was presided over by the principal followed by the felicitation of the chief guest and guest of honors. Later on, The Chief guest and the guest of honors pinned the badges to the Executive and Working committee of student chapter. Further, the installation Electrical Engineering Student’s Association (EESA) was done on the same day. It is the main student body of Electrical department. The chief guest congratulated the newly appointed office bearers for their preparedness to take up responsibilities entrusted to them.

Prof. Mohan Lal Kolhe described the importance of Clean Energy Transition. He focused on the key objective, “how we can contribute towards sustainable development of the society”. He also emphasized

on, “how are we going to integrate in the energy network and how power conserving devices should contribute in reducing the carbon emission”. In the end he discussed about the initiatives that must be taken in order to achieve the goal of sustainable development through electrical engineering.

Prof. Sanjib Kumar Panda appreciated the number of women position holder in the committee and Prof. Pradyumn Chaturvedi congratulated all the students and faculties for the installation of the first IEEE Student Joint Chapter under Electrical department and briefed all about the importance of IEEE and its benefits.

In the end, Ritesh Jaiswal, Chairperson, IEEE RCOEM student branch PELS & IES society, offered vote of thanks to all the dignitaries. He thanked all the invited guests and participants for gracing the occasion by their solemn presence. The ceremony concluded with the national anthem.
