

RCOEM TBI Foundation

Entrepreneurship Development and Sensitization Workshop organized by RCOEM TBI, Oasis ED Cell on 30th of June 2023

Name of Session / Event/Seminar/Workshop:	Entrepreneurship Development session organized by RCOEM TBI, Oasis Entrepreneurship Development Cell.
Date and Time of Event	30 th of June 2023 from 01:00 PM to 02:00 PM
Place/Venue of Event	First Year Block, RCOEM
Speaker/Guest Name	Mr. Vinay Chawla
Target Audience /Students/Faculties/External Members/etc.	RCOEM Students (1st Year, Section O)
Agenda for the Program	Entrepreneurship Development and Sensitization
Event Coordinator:	Dr. Rupesh Pais, Prof. Bhushan Bissa, Mr.Palash Hadke

About the Program:

RCOEM Technology Business Incubator (TBI) and the Entrepreneurship Development (ED) Cell of RCOEM organized an informative and engaging one-day "Entrepreneurship Awareness and Sensitization Workshop." The event was conducted for the B.Tech First Year, Section O students and aimed to inspire and educate them about entrepreneurship as a career option. The workshop featured Mr. Vinay Chawla, an esteemed entrepreneur, motivator, and innovator, as the guest speaker.

Mr. Chawla's inspiring talk encouraged students to consider entrepreneurship as a viable and exciting career option. He also discussed the importance of innovation and creativity in entrepreneurship.

Throughout the workshop, there were interactive discussions and activities that encouraged students to think critically about entrepreneurship. Mr. Chawla engaged the students in thought-provoking conversations, addressing their queries and providing practical insights into the entrepreneurial world.

The workshop also provided an overview of the entrepreneurship ecosystem, including the support and resources available within RCOEM TBI and the wider community.

IDEA-TECH EXPO'23

IDEA-TECH EXPO'23 was the very first technical exhibition event organized by RCOEM TBI Foundation & Oasis ED Cell, on 3rd May 2023. IDEA-TECH EXPO'23 was **The event showcasing a Project Exhibition and Competition..** The participants presented their work such as Research project, Prototype, Start-up, etc. The event provided a platform to the students to promote their innovative ideas/product and services

The event was inaugurated by Dr. Rajesh Pande, Principal RCOEM. The event began by felicitating the chief guest of the event Mr. Gurudev Somani, Director at Mastersoft, with memento and a sapling by the hands of Dr. Rupesh Pais, Director, RCOEM, TBI.

A total of 33 top level ideas with their prototypes were presented by the students of RCOEM and 6 TBI Incubated startups also showcased their product in the event. A total of 7 evaluator's evaluated projects/ideas/startups based on the predetermined evaluation criteria's.

The participants had to present their products to the audience. The event had succeeded in gathering a huge crowd of audience who were excited to see the showcased products by the participants. The participants were evaluated and a total of **7 innovative ideas** were declared as **winners**. They were categorized by- Best

Idea Award, Best in Innovation Award, The Promising Startup, Best Solution in Sustainability Award, The Best Innovation in Information Technology Award, Best Project in Automation and IoT Award, Best in Product Development Award.

The 7 winners were-

- ✓ **Best Idea Award [Energy Harvesting device for two wheeler suspension]**
- ✓ **Best in Innovation Award. [self-cooled solar photovoltaic module system]**
- ✓ **The Promising Startup [Mech Help]**
- ✓ **Best Solution in Sustainability Award [Humidity and Energy saver for desert cooler]**
- ✓ **The Best Innovation in Information Technology Award [American sign language translation using deep learning]**
- ✓ **Best Project in Automation and IoT Award [Hydroponic]**
- ✓ **Best in Product Development Award [CAVT system for Bicycle]**

The chief guest of the event Mr. Gurudev Somani shared his words of wisdom and emphasized on the importance of being a **‘job giver’ and that everyone should try business at least once in their lifetime.** Dr. Rupesh Pais, Director of RCOEM TBI, also enlightened the audience with his words. The event was concluded by the **vote of thanks by Prof. Bhushan Bissa, In-charge of ED Cell and by showing respect to the National Anthem of India.**

The event was a huge success because of the tireless work done by the whole organizing TBI student committee for several days and it was possible only because of the constant support provided by Dr. Rupesh Pais, Director, RCOEM TBI, Prof. Bhushan Bissa, In-charge of ED Cell and Mr. Palash Hadke, Manager of TBI.

A novel three-month certification programme that encourages creativity, ideation, and business strategies was launched by the RCOEM TBI foundation. This programme gave participants the chance to make their ideas a reality and received support as they started along the path of innovation. Participants in this programme received professional direction and mentoring from industry leaders who assisted them in refining their concepts and positioned them for innovation success.

The first session of COHORT'23 was conducted on Saturday, March 4th, on **Business Model Canvas** by **Dr.Rupesh Pais** (Director, RCOEM TBI). He briefly addressed the audience about how to identify a business idea and how an entrepreneur should be confident in his idea.

The second session of the programme COHORT'23 was conducted on Saturday, March 11th, On **Design Thinking, Critical Thinking and Innovation Design** by **Mr. Himanshu Shukla**. He enlightened students with the concepts like 'TRIZ' and '6 thinking hats'.

TRIZ is a versatile problem-solving methodology used in industries such as product design, engineering, business management, and organizational development. Among its strengths are its systematic analysis of problems and generation of innovative solutions, using tools such as the 40 Inventive Principles and Contradiction Matrix to identify contradictions and conflicts.

The Six Thinking Hats, created by Edward de Bono, is a thinking tool that uses six colored hats to represent different types of thinking. Each hat represents a unique perspective, such as facts and data (White Hat), emotions and feelings (Red Hat), critical thinking (Black Hat), positive thinking (Yellow Hat), creativity (Green Hat), and management of the thinking process (Blue Hat). The use of these hats allows individuals to approach problems from multiple angles and thus make more informed decisions.

The third session of COHORT'23 was conducted on Saturday, March 18th, on **"How to take your startup from idea to product"** by **Mr.Vaibhav Kaushik (Founder of CaffeineUX studio)**. He addressed the participants and enlightened them with 4 steps to transform your idea to a product, which were,

1. Define the problem statement – greater problems will give greater success.
2. Design and develop product/product idea.
3. Defining business plan and getting customer feedback for the products.
4. User experience.

He added that the end goal should be to provide best experience to the customers. He also stated that keep upgrading products through reviews/feedbacks is also important

The fourth session of 'COHORT' was conducted on March 31st, by **Mr. Satyam Sharma (Co-founder of all pro Auto Consultants Pvt.Ltd.)**. After the felicitation, Mr. Satyam Sharma addressed the crowd on **"Idea to Minimum Viable Product stage journey for a startup"**.

IDEATHON-PRIZE DISTRIBUTION AND
INSTALLATION OF STUDENT COMMITTEE

The prize distribution ceremony for IDEathon 2023, and installation of the new TBI- EDC RCOEM student committee was held on 14th of February 2023. The deserving teams from Ideathon 23 were recognized and awarded for their outstanding ideas and presentations by chief guest of the ceremony, **Mr. Nikunj Dayma**, Managing Director FerroMonk Steel Structure Pvt Ltd, not only honored the achievements of the winning teams but also inspired and motivated the participants and committee members to strive for excellence in their field of work.

Earlier IDEathon 2023 was conducted on 24th January 2023, this event provided a platform for teams to present their innovative ideas in front of an expert Panel. Teams from various fields and backgrounds participated in the Ideathon, showcasing their creativity and problem-solving skills through their presentations. After a rigorous evaluation process, the winners were selected by the judging panel. The prize distribution ceremony took place on 14th February.

The event was made even more special as it also included the installation of the official committee of EDC-TBI Foundation, signifying the beginning of a new chapter for the committee. The Newly selected office bearers were given the badges at the hands of Mr. Nikunj Dayama and Dr. Rupesh Pias, TBI-RCOEM. The event was coordinated by Mr. Palash Hadke Manager TBI.

TRANSPRENEUR'23

Transpreneur-23 an Entrepreneurship workshop was organized for the students of all fields at was recently organized at Shri Ramdeobaba College of Engineering & Management, Nagpur, jointly hosted by RCOEM TBI Foundation and OASIS – The Entrepreneurship Development Cell in collaboration with TiE Nagpur. The workshop focused on helping the young aspiring entrepreneurs to take their first step towards their Entrepreneurship.

Mr. Nitin Sachdeva, Managing Director at DelaPlex and President at TiE Nagpur, was the chief guest of the event. The workshop began by lighting of the holy lamp and Saraswati Vandana. Dr. Rupesh Pais Director, TBI RCOEM and Prof. Bhushan C Bissa, In-charge Entrepreneurship Development Cell were present on the dais. Dr. Rupesh Pais welcomed the chief guest and in his opening remark highlighted the importance of one's attitude for success in all walks of life, and encouraged students to adopt an entrepreneurial mindset.

Mr. Nitin Sachdeva gave invaluable insights on Establishing and Scaling startups and shared his own entrepreneurial journey. He also emphasized on the importance of discipline and ethical practices in start-ups. In the second session Dr. Tejinder Singh Rawal, Sr. Partner at T.S. Rawal & Co. and Charter Member at TiE Nagpur, spoke about Ideation, Problem Identification & Ideas Generation by giving many real life examples and stressed on the importance of innovations at different stages

of the startup.

The Concluding session was conducted by Mr. Mayur Zanwar, Co-Founder at TruScholar and Charter Member at TiE Nagpur. Mr. Zanwar explained the crucial aspects of the business model canvas with real life case studies. The event was a great success. More than 240 vibrant and enthusiastic participants attended the event and went back home with some knowledgeable and career defining insights. Prof. Bhushan Bissa Proposed the Vote of Thanks, the event concluded with the National Anthem.

The student Convener of the event was Mr. Neeraj Dwivedi, and it was steered by MoC Ms. Jhalak Ahalawat, under the guidance of Dr. Rupesh Pais, Director TBI and HOD DMT RCOEM, and Prof. Bhushan Bissa, Incharge, OASIS - The Entrepreneurship Development Cell RCOEM. Ms Deepal Kothari Executive, TiE Nagpur and Mr. Palash Hadke, Manager TBI RCOEM were instrumental in organizing the event.

About the Program:

The Department of Management Technology in association with TBI -RCOEM organized a Inter-College Value Proposition Fit Presentation Competition On 17th August 2022. The Topic given to the participants was to – RCOEM present a Presentation on “**Inter-College ‘Value Proposition Fit’ Competition**”. Around 23 participants took part in the Competition.

As the Chief Guest, we had Prof. S D Bhave Sir, whose presence made the day much valuable and informative. Students were very fortunate to learn valuable insights from Prof. S D Bhave Sir. All participants presented with a great zest and enthusiasm. The participants who bagged positions are: -

- 1) Abhimanyu Patil
- 2) Rachna and Mayuri

The event concluded with remarkable feedback from Sir which helped the students to know about their presentation.

One Day Entrepreneurship awareness and sensitization workshop for B.Tech First Year Section-B

The Entrepreneurship Development Cell of RCOEM organized a One Day Entrepreneurship awareness and sensitization workshop for B.Tech First Year Section-B on 25th July 2022. The workshop was conducted by renowned lady entrepreneur and current Joint secretary of VIA, Dr. Anita Rao. The workshop was attended by 25 students of B.Tech First Year section-D. These awareness sessions on entrepreneurship are planned for every section, so as to have maximum impact through better interaction between the students and the expert.

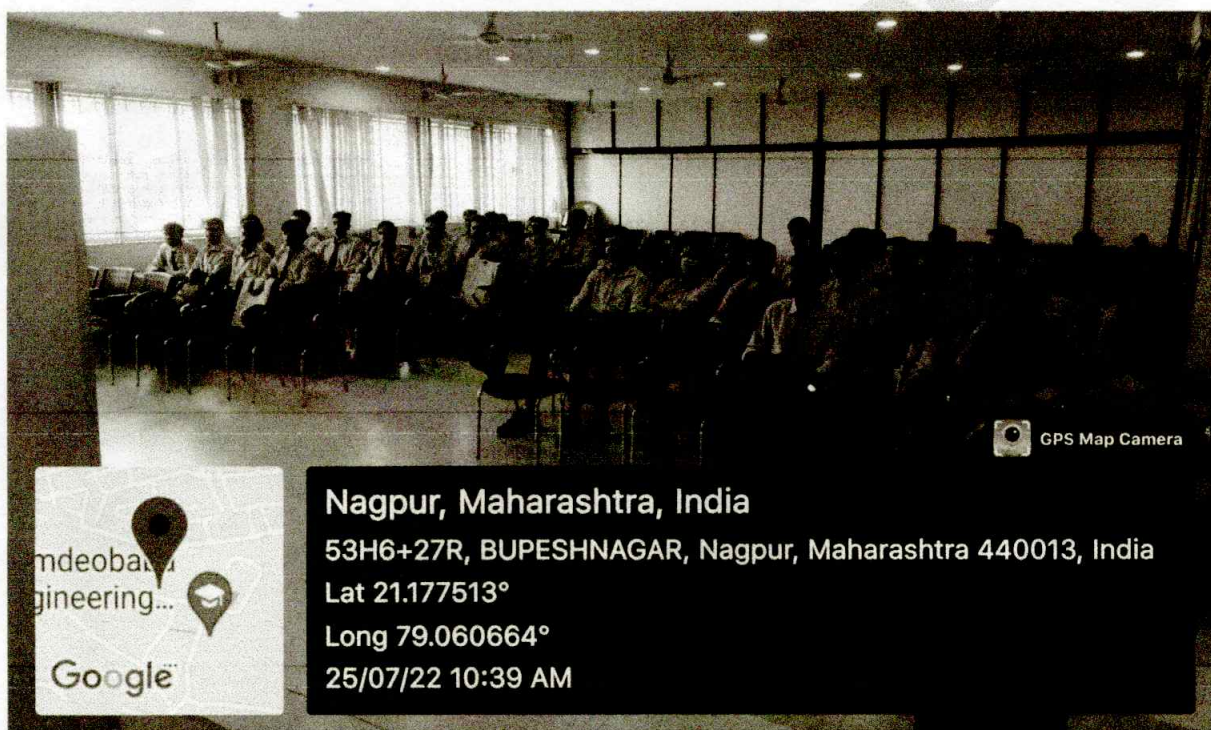

The students were made aware of the ample possibilities and opportunities in the field of entrepreneurship by the speaker. Dr. Rao explained the importance of startups and entrepreneurship for INDIA and its continual growth to become a world leader. The students were made aware of the qualities that an entrepreneur should have. She also showcased with examples the challenges an entrepreneur has to face which at the end yields success.

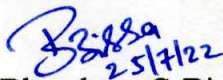

Shri Ramdeobaba College of Engineering and Management Nagpur
Institute Innovation Council

Dr. Anita Rao explained that entrepreneurship can be learnt and that success is attributed to disciplined and persistent following of the process. It is the process which gives us learnings and chances to grow and leads us to success. She shared information about some of the budding startups of the region, their innovative solutions to everyday Pain points and the value they bring to the customers.

Dr. Rao emphasized on the advantages that Nagpur has for entrepreneurs and also cautioned about some of the drawbacks. The workshop was well received by the students and they had an interactive insight into the world and opportunities in Entrepreneurship.

The workshop was organized by Prof. Bhushan C Bissa, Coordinator Entrepreneurship Development Cell of the College in collaboration with TBI RCOEM. The students were given an activity based on the workshop to make it more fruitful and to keep the students in the innovative and entrepreneurial bend of mind.
